**BEFORE THE  
DEPARTMENT OF TRANSPORTATION  
WASHINGTON, D.C.**

Application of

**AEROTRANSPORTES CORPORATIVOS,  
S.A. de C.V.**

for an exemption from 49 U.S.C. § 41301  
(U.S./Mexico Charter Air Transportation)

Docket DOT-OST-2006-23544

APPLICATION OF  
**AEROTRANSPORTES CORPORATIVOS, S.A. de C.V.**  
FOR RENEWAL OF EXEMPTION  
January 21, 2022

Pursuant to 49 U.S.C. § 40109 and Subpart C of the Department's Rules of Practice, Aerotransportes Corporativos, S.A. de C.V., hereby applies for renewal of its exemption from 49 U.S.C. § 41301, which grants Aerotransportes Corporativos the full scope of passenger charter rights available under the Air Transport Agreement between the United States and Mexico signed on December 18, 2015. Aerotransportes Corporativos specifically seeks renewal of its authority to conduct passenger charter operations, using small aircraft, in foreign air transportation between any point or points in Mexico and any point or points in the U.S.; and from a point or points in Mexico, via an intermediate point or points, to any point or points in the U.S., and beyond, as mutually agreed in writing by the U.S. DOT and the former Mexican Dirección General de Aeronáutica Civil ("DGAC"), provided that such service constitutes part of a continuous operation, with or without a change of aircraft, that includes service to Mexico for the purpose of carrying local traffic between Mexico and the U.S.

Aerotransportes Corporativos also seeks renewal of its authority to conduct other passenger charter operations to and from the U.S., such as seventh-freedom passenger charter operations, subject to the prior approval requirements set forth in 14 C.F.R. Part 212.

Aerotransportes Corporativos requests that the Department renew this exemption for a period of at least two years. Aerotransportes Corporativos invokes the automatic extension provisions of the Administrative Procedure Act, 5 U.S.C. §558(c), as implemented by 14 C.F.R. Part 377, to maintain its exemption authority in effect pending a final Department determination on this renewal application.<sup>1/</sup>

In support of this application, Aerotransportes Corporativos states as follows:

1. Aerotransportes Corporativos continues to be financially fit and is willing and able to provide charter passenger services using small aircraft. Aerotransportes Corporativos reports that there have been no changes in corporate address, management, aircraft, or aircraft liability insurance coverage during the past two years, and the company incorporates by reference the information previously submitted in this docket. An updated Certificate of Insurance (OST Form 6411) for Aerotransportes Corporativos' aircraft has been filed with the FAA.

---

<sup>1/</sup> The Department last granted the above authority to Aerotransportes Corporativos pursuant to a Notice of Action Taken issued in this Docket on January 22, 2020, effective through January 22, 2022.

2. Aerotransportes Corporativos' current ownership structure is as follows:

**Ownership of Aerotransportes Corporativos, S.A. de C.V.**

SHAREHOLDER	CITIZENSHIP	SHARES	PERCENTAGE
BANCO NACIONAL DE MEXICO FIDEICOMISO No. 13799-3	Mexican	99	99%
BANCO NACIONAL DE MEXICO FIDEICOMISO No. 13035-2	Mexican	1	1%

Ninety-nine percent (99%) of the shares of Aerotransportes Corporativos are held in trust by Banco Nacional de Mexico, one of the largest banks in Mexico. The beneficial owner of the trust is Mr. Alfredo Harp, a citizen of Mexico.

3. Aerotransportes Corporativos' authority from the Mexican DGAC to engage in transborder charter passenger services remains in full force and effect. See Exhibit A for a copy of Aerotransportes Corporativos' current Air Operator's Certificate (AOC). Aerotransportes Corporativos' Part 129 Operations Specifications from the Federal Aviation Administration (FAA) are also valid and effective.

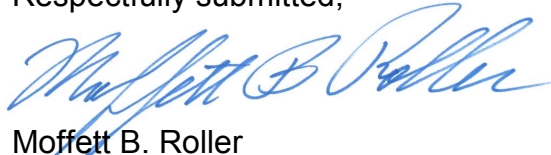

4. Aerotransportes Corporativos' Application for Renewal is limited in scope and non-controversial. The air transportation services that Aerotransportes Corporativos plans to operate are unchanged from the U.S.-Mexico services that it has performed during the past two years, *i.e.*, air transport services for executives and their guests using small executive jet aircraft.

5. In accordance with the terms of the Air Transport Agreement between the U.S. and Mexico, it is in the public interest to renew the exemption authority that the Department has issued to Aerotransportes Corporativos. The services that Aerotransportes Corporativos operates satisfy a continuing commercial need and foster

business activity and the development of economic opportunities between Mexico and the United States.

WHEREFORE, Aerotransportes Corporativos, S.A. de C.V., requests renewal of its exemption to engage in charter foreign air transportation of passengers between Mexico and the United States using small aircraft, as set forth herein, and such other relief as may be in the public interest.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Moffett B. Roller".
